Describe what work has been completed toward the development of this water right:
(This must be filled out! If no work has been completed, show "none".)

This is a groundwater permit for irrigation and stock water. The well was completed June 10, 2008, (well ID No. 421257), and water was beneficially used to irrigate approximately 29 acres in 2008. The stock water use was made in 2008. There remain approximately 17 acres of land to be irrigated Costing \$ in excess of \$50,000.

The permit holder(s) has been unable to complete the remainder of the work for the following reasons:

See the attached letter of William D. Collins to IDWR of March 16, 2010.

Permit holder(s) request an extension to April 30, 2010
