RE: Change of Ownership for Water Right 86-7176

Dear Water Right Holder:

The department acknowledges receipt of correspondence changing ownership of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

As explained in our conversation of this date, this water right should have been claimed in the Snake River Basin Adjudication (SRBA). I have enclosed a motion to file a late notice of claim and a notice of claim to a water right for your convenience. The fee due when filing your notice of claim is \$101.00.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Office Services Supervisor
