**Re: Notice of Change of Water Right
Water Right No. 86-7176**

Dear Sir or Madam:

Enclosed please find a *Notice of Change in Water Right Ownership*.

Please note that several different names are used at paragraph three of the Notice to identify the former owners. The prior owners, H. Dwight Robinson and Cynthia D. Robinson, have apparently done their own legal work and have used several variations of names and the name of an entity or entities that they have formed or managed. It is, however, the intention of the parties that all rights in this water right, however labeled as to ownership, will transfer to the Raymond John Roth Trust dated June 8, 2000, Raymond John Roth, Trustee.

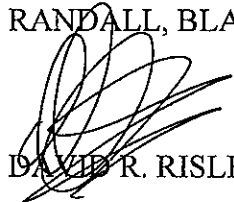

The names provided were found at paragraph four of the Notice of Change filed on or about October 15, 2008; paragraph seven of Notice of Change filed on or about October 15, 2008; and the Quitclaim Deed of the property of which this water right is appurtenant. A copy of that Quitclaim Deed is included herewith for ease of reference.

We have used the name H. Dwight Robinson as the primary designation of the owner as that is how it appears your records are maintained.

Please call if you have any questions.

Yours very truly,

RANDALL, BLAKE & COX, PLLC
