RE: Notice of Change in Water Right Ownership No(s). 67-85A & 67-86

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of the Notice of Change in Water Right Ownership. Our review of the notice indicates that additional information is required before we can process the change. The information required is additional evidence of Water Right ownership. The warranty deed you provided does not cover the E1/2SW1/4 in Section 4, Township 15N, Range 01W. If additional deeds are not provided, this will require a split of the water right(s). Additional fees are required with the split of water rights. The additional fees will be \$75 for each water right for a total of **\$150.**

Enclosed you will find water right proof reports and a copy of the deed you provided the Department. Because the Department cannot process the ownership change without proper documentation, we will hold any action on this notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return the notice and all attachments and the notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".
