RE: Water Right No(s). 78-7120 & 78-7212

Dear Property Owner(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change.

The additional information required is a warranty deed with attached legal description and if you have a plat of property or survey map that is helpful also.

Because the Department cannot process this request without proper information, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
