RE: Water Right Nos. 57-2212, 57-7157, 57-7128, 57-7083 & 57-7052

Dear Mr. Borbonus:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) listed above. All the water rights listed above are missing a 10 acre parcel in the SW1/4SE1/4 of section 26, township 2 south, range 2 west. Please provide **Evidence of Water Right Ownership**: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. Please include legal description. I have enclosed a copy of the water right(s) for your reference.

If you are unable to provide proof of ownership for the 10 acre parcel, then the water rights may have to be split.

 X **Filing Fee** of \$100 per water right for changes resulting from division of a water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. **We have determined that the filing fee could be an additional \$375.00 only if the water rights are split.**

Because the Department cannot process the ownership change without proper documentation and/or fees, we will hold any action on your notice pending receipt of the necessary information and/or fees. If we do not receive the necessary information and/or fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter please call Kara Alder at 208-287-5952

Sincerely,
