NOTE: CHANGE IN ADDRESS
FOR MR. DENAUGHEL AND
POSSIBLE AMENDMENT OF
MR. DENAUGHEL'S LAKE
CLEVELAND SRBA
CLAIM.

Dear Mr. DeNaughel:

Pursuant to your recent inquiry, please find enclosed a partially completed change of address form and a copy of your current Snake River Basin Adjudication claim, A45-00294E, for water out of Lake Cleveland.

Signing and returning the change of address form to this office will enable our office to change your recorded address and telephone number on your Snake River Basin Adjudication Claims (A45-00294E, A45-00317F, and A45-07322).

* You mentioned that you would like to amend the claimed diversion rate under your Lake Cleveland claim, A45-00294E. I have enclosed a copy of this particular claim for your reference and possible use. If you would like to amend this claim, mark out the items that you would like to amend, and write your amendments to the side of these particular items. Returning the copy of this claim with your amendment(s), signed and notarized, will enable our office to amend your claim. You may also want to attach a note listing, or explaining, your amendment(s) for further clarification. The diversion rate that you claimed is listed as 1.60 cfs (cubic feet per second). One (1.00) cfs is equal to 50.0 miner's inches.

If you have any questions, feel free to contact me at your convenience.

Sincerely,

Corey Skinner, EIT
Dam Safety Section
