Mr. Allen D. Merritt, P.E.
Southern Region Manager
Idaho Department of Water Resources
1341 Fillmore Street, Suite 200
Twin Falls, Idaho 83301-3380

Dear Mr. Merritt:

In response to your letter of July 8, 1997, we would formally like to request a conference/hearing in the matter of Application for Transfer #5089 and #5090 involving Lake Cleveland Water; Water Rights 45-00294A and 45-002294B.

I was in your office on July 15, 1997, accompanied by Mr. Frederick L. Parke and met with Mr. Corey Skinner to discuss the Lake Cleveland water. (copy attached)

As Mr. Parke is retired and spends November to April in Arizona, we would request that the hearing not be scheduled during this time period. As Mr. Parke is the most knowledgeable individual on Lake Cleveland Water Rights and the history thereof, we feel it very necessary for him to be present at any conference or hearing involving Lake Cleveland Water rights.

Thank you for your assistance. If you have any questions, you may contact me at 673-6222 and our Fax # is 673-6265.

Sincerely,

A. W. "Woody" Anderson
