RE: Water Right Nos. 45-14061 and 45-13788

Dear Water Right Holders

Enclosed is a copy of each of the approved Application for Extension of Time to Avoid Forfeiture for the above referenced water rights. Please note that resumption of beneficial use of water for these rights shall occur on or before **July 1, 2015**.

If a portion of either water right has been used since July 1, 2005, and you would like an extension beyond July 1, 2015, for that portion of the right, you can provide evidence of the amount and timing of the use and make a separate request for an extension at a later date.

Please notify the Department as soon as you resume use of the water. If you have not notified the Department sixty (60) days prior to the resumption deadline, the Department will send you a Resumption of Use Notice by certified mail.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: [www.idwr.idaho.gov](http://www.idwr.idaho.gov).

Sincerely,

Emalee Rushing  
Office Services Supervisor
