Subject: Rinker Purdy Transfer (74911)

Chuck -

I've been trying to get the Rinker/Purdy transfer finished on the Renegade Property (Transfer 74911) and have a couple of things I need to get resolved. First, I think we actually need to get something in writing for the file (e-mail or otherwise) indicating that the diversion currently listed as being in TWP 01S, RNG 20E, Sec 20, NWSW is actually to be listed as in the NESW of that same section. Second, the application is in the name of Harry S. Rinker and Leonard N. Purdy. Where you have provided a special power of attorney for Mr. Rinker, there is nothing for Mr. Purdy. Since he is listed as an applicant, the application would need to be signed by him or an approved representative. However, where Mr. Purdy has quitclaimed what interest he had in rights 37-2188 & 37-12018, what exactly is his interest in the rights? Could you please clarify this for me. If you wish to have him as an applicant, we need to have approval of your signature on the application or he needs to sign the application himself. If he has no interest, you could potentially strike him as an applicant. Please let me know what you would like to do. Please give me a call if you have any questions. Thank you.
