SESE
Lot 9

This is an aerial photograph of a residential area with a grid of streets and property lots. Green lines delineate individual lots, many of which contain houses. A large, irregular area on the left side of the image is outlined in black. Within this area, a specific spot is circled in black. Handwritten text in black ink is present: 'SESE Lot 9' is written near the top of the black-outlined area, and 'Well Site' is written below the circled spot, with a line pointing from the text to the circle. A thick black line runs horizontally across the middle of the image, and another thick black line runs vertically down the right side.

Additional Comments:

96-8834 should not be part of transfer. Kay is going to license
Revising amendment seems appropriate.
Then can be part of transfer
