RE: City of Spirit Lake

Dear Mr. Goodwin:

On November 8, 2005, on behalf of the City of Spirit Lake I filed an application for transfer of Water Rights 96-4022, 96-7059, 96-7106 and 96-8834 and paid the application fee of \$450.00 (Receipt N017258). Subsequent to that date, and prior to any action being taken on the transfer application, the North Idaho Adjudication was commenced and the transfer issues were all addressed in the Notices of Claim instead.

On behalf of my client, the City of Spirit Lake, I submitted a Withdrawal of Application for Transfer on February 10, 2010 for all of transfer applications and am requesting that the \$450.00 that was submitted in 2005 be refunded. Attached is a copy of the Receipt, as well as the Withdrawal Application. Please make the refund check out to the following: City of Spirit Lake, P.O. Box 309, Spirit Lake, Idaho 83869.

Please forward this request to the appropriate individual for processing. If you have any question, you may contact me at (208) 667-1300.

Yours truly,

Nancy Stricklin
