Re: Lien Holder status vs Security Interest

Dear Ms. Dobbs:

We are returning your letter dated August 21, 2009 because the intent of your correspondence is conflicting and unclear to us.

Please be advised that to appear on record in our database as a **Lienholder** all that is necessary is a letter stating your request and an identification of the pertinent water rights. No filing fee is required for this type of action which entitles your organization to be informed of pending procedures involving the listed water rights.

However, if this designation is not sufficient for your purposes, please complete the enclosed Security Interest form and return it to this office with the required \$25.00 per water right filing fee. Multiple water rights may be listed on the same form.

In addition, please provide properly executed legal documents showing the chain of ownership.

Upon receipt of the appropriate paperwork and fees, if applicable, the Department will commence processing your request.

If you have any questions, please feel free to contact this office.

Sincerely,

Mary A. Baldwin
Administrative Assistant
