RE: Apps. For Transfer In The Name Of Gerald Bashaw

Dear Chuck;

Since we last spoke on this matter, I have found an ownership discrepancy for these claims. The claims for the Castle property are still in his name, so a Change of Ownership needs to be submitted by Mr. Bashaw. The rest of the Bashaw claims are in the name of Brett & Patricia Bashaw Family Trust; who is Gerald Bashaw in relation to this entity? We need proof of ownership to support Gerald's right to make these transfers.

On another matter, the 1998 Water Management Rules are proposed but not adopted. These rules carry no authority at this time. You cited one of these rules in reaching your conclusion that the 672 licensed groundwater acres should be the basis for these transfers. We are still deliberating over the total number of acres to recommend.
