Re: mailing address

Dear Applicants:

Our recent correspondence to you was returned by the US Postal System due to an improper address.

It appears that various individual water rights are reflecting the above address in our database, however, your paperwork submitted for the withdrawal of Transfer No. 75752 is listing 1574 E 2900 W as the address.

Please complete, sign, date and return the enclosed address change form to this office at your earliest convenience. Of **special importance is the segment containing all Water Right Numbers related to the address change.**

We are striving to update our database to prevent return mailings as much as possible and your assistance would be appreciated.

Pursuant to a new Departmental policy, all changes of address made to our data system require a signed Change of Address form on file. If you have any questions or if this office can be of further assistance, please feel free to contact us.

Very truly yours,

Mary Baldwin
Administrative Assistant
