**RE: APPLICATION TO RENT WATER FROM THE WATER SUPPLY BANK
WATER RIGHT NO(S). 37-457B**

Dear Renter:

The Department of Water Resources ("Department") acknowledges receipt of your application to rent water from the Water Supply Bank ("Bank"). Please find enclosed a Water Supply Bank Rental Agreement for your review and signature. Upon signature and return of the original agreement, together with the rental fee described below, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

A rental fee of **\$20,000.00** is due in accordance with a private agreement between you and the lessor of the water right. Please send a check made payable to the Idaho Department of Water Resources together with the signed rental agreement to my attention within thirty (30) days of receipt of this letter so I can complete the processing.

Applications for rental of water must be reviewed in accordance with Idaho Code § 42-1763 and the Department's Water Supply Bank Rules (IDAPA 37.02.03). This includes consideration of whether there will be injury to other water rights, whether the proposal would constitute an enlargement of the water rights, whether the water will be put to a beneficial use, whether the water supply available from applicable rights in the Bank is sufficient for the use intended and whether the proposal is in the local public interest. While a one-year rental usually involves a general review of the water rights and proposed use, rental of water over multiple years may require more comprehensive review, notice to advise anyone who desires to protest the proposed water use, and approval by the Idaho Water Resource Board.

If you have any questions, please contact me at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
