FINDING OF FACT

On March 2, 2010, the Idaho Department of Water Resources (IDWR) served a Notice of Proposed Default Order to Terry D. Williams (Protestant) for failure or refusal to respond to a prehearing conference date availability request.

Pursuant to Rules of Procedure Rule 701 (IDAPA Rule 37.01.01.701), the party against whom a proposed default order was filed has seven (7) days to petition the notice not be entered.

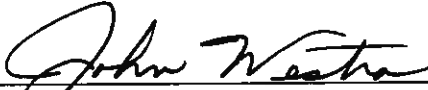

The seven (7) day period has expired for opposing the default order entry. IDWR has not received a petition from the Protestant opposing the entry.

IDWR should issue a Default Order to the Protestant for failing to respond.

ORDER

It is HEREBY ORDERED that Terry D. Williams is in default, and his protest is DISMISSED. Terry D. Williams will not participate in further proceedings of Application for Permit #67-14991 in the name of A. Don &/or Nancy M. Evans.

Dated this 10th day of March, 2010
