I'm glad you wrote. I did not realize I could request more than 1 year.
Just to be safe, please allow the extension for 5 years.
Thank you,

I am reviewing your request for extension of time and just want to make sure your project (house) will be completed before 2/1/2011. This will be the only extension that can be granted for due diligence. You can ask for up to 5 years.

I am guessing that the requested extension due date of 2/1/2011 is sufficient, but wanted to make sure before I process your request.

Thank you,
