RE: Security Interest Water Right No. 31-11707

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

XXXX Map

XXXX Clarification

On November 27, 2009 our department received a Security Interest for the above listed Water Right Number. During our review of the documentation you submitted we found some discrepancies between the documentation and the legal description of the place of use for the water right indicated in your notice. The owner of the water right listed above is Siddoway Sheep Co. Water Right number 31-11706 is owned by C & N Family Land Investments. Please find attached a copy the deficiency letter dated December 10, 2009 requesting your review of documentation and maps, this letter will also go into more detail in regards to issues and information required to complete your request. Please clarify which water right you hold a security interest in and a map of the property.

Because the Department cannot process the Security Interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
