**RE: Amended Water Right Transfer Application - Salmon Falls
Land & Livestock Co.**

Dear Mr. Merritt:

On August 31, 2009, the Idaho Department of Water Resources was provided with an Amended Water Right Transfer Application for Salmon Falls Land & Livestock Co. The purpose of this transfer is to create a permissible place of use so that Salmon Falls may irrigate efficiently on their property, and to resolve pending SRBA objections to Salmon Falls' water rights by the U.S. Department of the Interior (BLM). The purpose of this letter is to advise you that a Status Conference has been set with regard to this matter for June 24, 2009. I would appreciate any efforts on your part to keep this application moving along so that this matter may be concluded prior to this Status Conference.

Thank you.

Yours truly,

TIMOTHY J. STOVER
