MEMORANDUM

TO: Files

FROM: Steve Lester 

DATE: July 9, 2008

RE: Applications 57-11749 & 57-11750

Stephanie Teeter visited Western Region and filed these 2 applications today. I worked with her to correct the applications as marked. Her time was limited so we had to rush through that process.

I forgot to have her initial the changes on the forms. This memo documents the applications were filed as revised. Additional endorsement by the applicants is not needed.

Original maps are in application #1, 57-11749. A copy of the topo map is in application #2, 57-11750.
