

MEMORANDUM

TO: Water Right Files 37-22313, 37-22318, and 37-22323
FROM: Aaron Marshall 
DATE: February 24, 2010
SUBJECT: Application for Transfer No. 74449

Application for Transfer No. 74449 was protested by Big Wood Canal Co. (BWCC). Dry Lot LLC and BWCC entered into a water rights use agreement through which BWCC withdrew its protest to the application. Pursuant to the agreement, Dry Lot agrees to leave 0.50 cfs undiverted from the Big Wood River. A condition of the transfer will require Dry Lot to cease diverting 0.50 cfs from the Big Wood River in accordance with the water rights use agreement. The condition to leave 0.50 cfs undiverted on the transfer is not additive to Dry Lot's obligation under the agreement with BWCC.
