Craig,

Looks like Terry found a typo on the 6X draft permit. Can you fix it up and give the reprint to Emalee to put in the file. She has it on call-up.

Thanks.

Shelley -

I've forwarded the draft to 6X to see if they have any comments. I'll let you know before 2/17/10.

In the meantime, I noticed a typo in condition 6. It should say "34-123B" rather than "31-123B".

Thanks for your attention to this application and your help on the Dry Creek application.

Terry

Terry,

As I promised this morning, I've attached a draft permit for 6 X Ranch, Application 34-13763. Please let me know by Feb. 17, 2010, if you have any comments or suggestions. If I haven't heard from you by then, IDWR will issue the permit.
