Mr. Bolin,

The pdf file 84_12191 contains the approved permit, the application and letter that was returned with the application for permit.

The contact information for Northern is on pg. 4 of the instructions. All of our forms and scanned water right records can be found on our website at: <http://www.idwr.idaho.gov/>.

Just as a side note, it is my understanding that you are mailing in a request for extension of time to submit proof of beneficial use for permit no. 84-12191. That extension request is due on or before March 1, 2010.

Please feel free to call me if you have any further questions.

Thank you,
Emalee
