Re: Water Rights Application 65-23097

Dear Denise:

I am receipt of your letter dated Oct. 16, 2007 stating the only protest to my water rights application is Brad Little's dated Dec. 27, 2006. Brad and I have been in discussions and will work this out to mutual agreement without the need of a hearing or arbitration.

I suspect we'll have some written agreement that once signed by both of us will be sent to you with the withdrawal of his protest.

I will probably not have power connected to the only well drilled until next year once the well is approved for irrigation. Further irrigation wells will be subsequent to at least one growing season's success of plantings yet to be determined.

Thank you for your handling of this water rights application.

Best regards, Ron Mayhew
