RE: Status--Contested Application #65-23097 KCM Enterprises

Dear Applicant:

As your aware, your application was protested by Little Enterprises in December of 2006 prior to public notice. Your application was amended and public notice made September 19, & 26, 2007 in the Emmett Messenger-Index. Our agency sent a formal notice informing you of the protest on October 16, 2007. On October 18, 2007, our office received a letter from you indicating there were ongoing discussions with Mr. Little. We have not received any communication since.

If negotiations have been exhausted with the protestant, a prehearing conference will be scheduled to forward the process. You may also request in writing that further processing of your application be delayed up to 6 months. *Please provide our office with your intentions and the status of negotiations within 30 days of this letter date.*

Should you have questions, please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

John Westra
Western Region.
