RE: Application for Permit #65-23097

Dear Mr. Mayhew:

Our office is currently in the process of reviewing dated protested applications. Your application was filed September 18, 2006 and protested by Little Enterprises Limited Partnership. On May 12, 2008, your letter requested a 6 month processing extension of time was granted to work with the protestant. There has been no correspondence since.

Please provide our office in writing the status of your negotiations with the protestant and future intentions regarding the application. If you intend to pursue the project, our office will move forward to schedule a prehearing conference this fall. A withdrawal form is also enclosed should you desire to withdraw the application. I would ask that you provide the response within 30 days. No response or an untimely response may result in the application ordered void.

Should you have questions, please contact me at the Western Regional Office, phone 334.2190.

Sincerely,

A handwritten signature in black ink that reads "John Westra". The signature is fluid and cursive, with the first name "John" being more prominent than the last name "Westra".
