Dear John:

Today, I received your attached letter dated September 1, 2009. Coincidentally, I sent Brad Little a fax last night suggesting we conclude our discussions/agreement by phone since we've had difficulty getting together in person.

Our main problem has been getting together ourselves as well as with a couple neighbors. As you know his legislature and now lieutenant governor duties significantly limit his availability. Likewise, I have started consulting overseas which further limits our ability to get together.

Based on our conversations, once we get together, we should have an agreement. We may need to accomplish this by phone & fax. At that time, I'll set up an appointment with your office by phone or in person to revise the application. My next return to Boise is Oct. 9-13.

I apologize for both of us in not moving the discussion/agreement along.

Sincerely,

Ron Mayhew
