RE: Contested Application for Permit # 65-23097—KCM Entertainment

Dear Parties:

As you are aware, the above described application was filed by the applicant on 09/18/06. Public notice was made in the Emmett Messenger-Index on September 19 & 26, 2007. A timely protest was received from Little Enterprises LLP. To date, a protest settlement has not been made and the contested application remains.

The Department will be scheduling a prehearing protest conference to determine the issues, discuss settlements, and initiate hearing preparation if a settlement can not be reach. On the enclosed calendars for April, May, and June, please provide this office dates that you would be available for a prehearing conference. Please return the calendars by **February 22, 2010**. As soon as a common availability date is determined, formal conference notices will be sent out to parties.

Should you have questions, please contact me at the Western Regional Office, phone 334-2190.

Sincerely,

John Westra, Manager
