RE: CHANGE IN OWNERSHIP FOR: 11-73

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Bear Lake County. The property to which I am referring was most recently owned by RW Caldwell. The legal description is as follows:

Township 14 South 43 East Section 9 SENE and Section 10 SWNW

In order for our department to complete an ownership change our department requires certain documentation.

Enclosed is a Change in Ownership form. Please fill out the form completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Recorded Warranty Deed and legal description and a plat of the property you have purchased.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you questions regarding this matter, please call 525-7161.

Respectfully submitted,

Jonie Barg
Technical Records Specialist
