Good morning. I am looking for transfer # 73820, and I show it was sent to the S.O. in February 2008, for processing. The water right #'s involved are: 63-21079, 63-7460, 63-8230, 63-8239 & 63-8256. It is in the name of Carl Lueck.

The transfer has been withdrawn – therefore no further action is necessary. Can you please find out who has the file, and let them know that it has been withdrawn? Also – you can send the file back to me if you'd like to, and I can finalize it. Or I can send the withdrawal letter to you and it can be finished up over there. Either way is fine.

Thanks!

Denise

Send to Sandy Hemenway. They (S.O.)  
will finalize.
