PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 97-7440

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

In order to remove H Ford Willey as a current owner of this permit, an assignment of permit form would need to be filed with the Department along with documents showing how you acquired the property. There is a \$25.00 filing fee associated with filing an assignment of permit. Enclosed for your convenience is an Assignment of Permit Form.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions concerning the field examination, please contact the Northern Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
