

MEMORANDUM

TO: Transfer No. 76306

FROM: Sharla Curtis

DATE: February 16, 2010

RE: Evaluation of Sufficiency of Information Submitted

The transfer proposes to add a second well to the system and to correct the legal description of the existing well. The proposed well will be constructed to appropriate from the same water bearing zone as the existing well.

The site is known as Veterans Memorial Park.

Contact person for the applicant is Lori Graves with SPF Water Engineering.

Deviations from Transfer Policy Standards

Since this application only proposes to correct the legal description of an existing well and add a second well in the same location, the application will not be advertised per the discretion of the regional manager.

Summary of Information Submitted

Authority to File: Applicant is owner of record.

Water Right Validity: Right presumed to be valid because the partial decree was issued within the past five year period (issued on 2/16/2007).

Injury to Other Water Rights: None anticipated.

Enlargement of Use: No enlargement is proposed; the rate of diversion and volume will remain the same as decreed.

Local Public Interest: The place of use is known as Veterans Memorial Park and is enjoyed by many on a daily basis. It is considered to be within the local public interest because it is a public park that anyone can use.

Beneficial Use/Conservation of Water Resources:

The application proposes beneficial use consistent with conservation of water resources in Idaho.

Review of the application finds there is no clear inconsistency with criteria of I. C. § 42-222 preventing processing of the application.

Summary

Assuming no other information contradicts the above analysis, the application can be approved as reflected by the draft approval.

Condition 046 will be applied since a new well is proposed.
