PROOF DEFICIENCY LETTER

RE: Water Right Permit No. 67-14517

Dear Permit Holder:

The Department has received your Statement of Completion for proof of beneficial use ("proof") filed for the above referenced water right. The license examination fee was not included with your proof statement. Your proof statement cannot be accepted without an exam fee.

The license examination fee is based upon the rate of diversion or volume of water claimed on the proof of beneficial use form. The permit was issued with a maximum diversion rate of 0.46 cfs for the irrigation of 23 acres, which equates to 0.02 cfs per acre. If you are irrigating 11 acres at 0.02 cfs per acre, it would equate to 0.22 cfs. The license examination fee for 0.22 cfs is \$100. Please fill in the amount of water you are diverting in item number six on the statement of completion form and submit the appropriate fee.

Please return the form and the fee to me in the enclosed self addressed, stamped envelope. I will hold this matter for **15-days** from the date of this letter to wait for your response. Please contact me at (208) 287-4945, if you have any questions.

Sincerely,
