Mr. & Mrs. Ayarra,

Thank you for the phone message you left for me regarding the name listed as the water right holder for water right nos. 2-4005, 2-7418, and 2-10365. I did see the note on your letter and did see that the deed did convey the property to the David M. Ayarra, Jr. Trust dated April 17, 2009, but neglected to use the name of the trust when updating the ownership of the water rights.

I have corrected the name of the current water right holder to: David M Ayarra Jr Trust dated April 17 2009 and have attached a copy of the water right reports which reflect the current owner's information. Please accept my apologies for my mistake. If you have any other questions or concerns, please feel free to email or call me.

Thank you,
Emalee Rushing
