Re: Overlap

37-12919 is a partially decreed domestic right for the same place of use. Because 37-12919 has a priority date Jr. to this right, we could not just drop the domestic use under this right at the time of licensing. To prevent stacking, I added a domestic volume and rate limit so when 37-7807 and 37-12919 are used in combination, they do not exceed 0.04 cfs and 0.06 af (internal use only).
