PROOF DEFICIENCY LETTER

RE: **Water Right Permit No. 65-22940**

Dear Permit Holder:

The Department has received your Statement of Completion for proof of beneficial use ("proof") filed for the above referenced water right. The license examination fee was not included with your proof statement. Your proof statement cannot be accepted without an exam fee. The permit was issued with a maximum diversion rate of 0.06 cfs from surface water. Based on your maximum diversion rate of 0.06 cfs the license examination fee is \$50.00.

One part of the proof form is incomplete. I am returning the original form to you and ask that you complete item no.5, and review item no.6 of the form. To provide you with information regarding the permitted water uses and rate of diversion enclosed is a copy of the permit for your reference. The maximum diversion rate on your permit is limited to 0.06 cfs.

Please return the form and the fee to me in the enclosed self addressed, stamped envelope. I will hold this matter for **15-days** from the date of this letter to wait for your response. Please contact me at (208) 287-4945, if you have any questions.

Sincerely,

Darla Block, Technical Records Specialist
Water Allocation Bureau

The Idaho Department of Water Resources considers this form a statement by the permit holder(s) that development of a water right has been completed and that water has been applied to beneficial use to the extent described below. **This form must be accompanied by an examination fee, when necessary, or by a completed Beneficial Use Field Report prepared by a certified water right examiner.** Please refer to the instructions and fee schedule for this form. If ownership of the permit has changed, please contact any Department office or visit the Department's website at: www.idwr.idaho.gov for an Assignment of Permit form. If you wish to relinquish your permit because you have not established the authorized use of the water and are not applying for an extension, please notify the Department in writing.
