Re: Assignments of Water Right Permits

To Whom It May Concern,

We represent Sabala Whitetail, LLC and we have obtained confirmation from the Idaho Department of Water Resources (IDWR) that all of the Whitetail water rights were transferred to Sabala Whitetail, LLC by M Resorts pursuant to the Asset Purchase Agreement with Whitetail, A Club For All Seasons, LLC dated August 22, 2008.

Nevertheless, IDWR has requested that we contact you and ask for separate assignments of the water rights for their records. Accordingly, we are enclosing with this letter the assignments which IDWR has requested.

Please note that assignments only relate to those water rights which pertain to the real estate sold to Sabala Whitetail, LLC pursuant to the Asset Purchase Agreement of the parties.

This request is made pursuant to Section 26(G) of your Asset Purchase Agreement where the parties are required to execute any further assignments which may be reasonably necessary to document the sale. Also included is assignment of permit 78-12324 associated with real property owned by Sabala Whitetail, LLC in Adams County.

We ask that the enclosed assignments be signed and returned to my attention within the next fourteen (14) days.

Thank you for your attention to this matter and if you have any questions with regard to the enclosed, please do not hesitate to contact this office.

Very Truly Yours,
