RE: CHANGE OF OWNERSHIP FOR WATER RIGHT 85-10810

The department received a Change of Ownership form for the above water right in April, 2004. In our recent review, we have found that the change of ownership was not completed.

We received a Commitment for Title Insurance with the Change of Ownership form but that form is not acceptable as proof of ownership. We must have a document such as a Warranty Deed to establish ownership.

I have enclosed a copy of the Change of Ownership form and a copy of the water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions, please call me at 208-287-4967.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Egbert".
