RE: CHANGE OF OWNERSHIP FOR WATER RIGHT 85-10810

The department received a Change of Ownership form for the above water right in April, 2004. In our recent review, we have found that the change of ownership was not completed.

We received a Commitment for Title Insurance with the Change of Ownership form but that form is not acceptable as proof of ownership. We must have a document such as a Warranty Deed to establish ownership. If this is your water right, and you are interested in pursuing this change of ownership, please submit a Warranty Deed with a legal description of the property. We will also need documentation of your correct address which can be in the form of a letter or signed note stating the correct address and the water right number.

I have enclosed a copy of the Change of Ownership form and a copy of the water right.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. Please respond within 30 days.

If you have any questions, please call me at 208-287-4967.

Sincerely,

A handwritten signature in cursive script that reads "Sandy Egbert".
