RE: Notice of Change in Water Right Ownership
WR Nos. 2-4005, 2-7418 & 51-10365

Dear Mr. Ayarra:

The Department of Water Resources received a Notice of Change in Water Right Ownership for the above referenced water rights on June 16, 2006. The Department cannot process the ownership change without evidence that the property has been conveyed to you.

It is my understanding that the property is involved in a probate case. Please let the Department know whether the probate matter has been concluded. If the department does not receive evidence of water right ownership within 6 months from the date of this letter, we will return all the documents to you as unprocessed. If you need more than 6 months, please let us know.

If you have any questions, please feel free to contact me at (208) 287-4952.

Sincerely,

A handwritten signature in cursive script, appearing to read "Emalee Rushing".
