Re: Water Rights 2-4005, 2-7418 and 51-10365 – Receipt No. C081495

A check was receipted on June 16, 2006 from David Ayarra in the amount of \$100. The description on the receipt indicates "OWNERSHIP CHANGES/SECURITY INTERESTS."

The check was submitted along with an ownership change for 3 water rights and an application for extension to avoid forfeiture. The total fees should have been \$50 for two owner changes (no fee applied to 2-4005, pending in SRBA) and \$100 for the application for a total of \$150.

Since then, the application has been withdrawn and fees can be refunded. Since \$50 still applies to the ownership changes, the balance of \$50 can be refunded.
