RE: Change of Ownership for Water Right No(s). 72-4069, 72-4228, 72-7383, 72-10171, 73-10033, 73-10035 and 73-12028

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water right(s) to you. The department has modified its records to reflect the change in ownership and has enclosed computer-generated reports for your records.

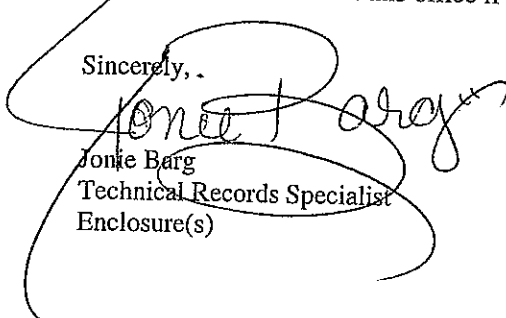

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

During our research the department found that water rights 73-10033 and 73-10035 place of use does not match the legal description of the property purchased. Therefore the ownership change can not be complete at this time. The department found you are entitled to water right number 72-10234 for domestic use. The ownership change for 73-12028 will require a split, however the water right still has a status active in the adjudication, so will not require a fee to complete. The department will process that ownership change as soon as possible. Based on the information above, the total fee to complete the ownership change for 72-4069, 72-4228, 72-7383, 72-10171 and 72-10234 will be \$125.00, 73-12028 will not require a fee to complete, and the department will not be able to complete the ownership change for water rights 73-10033 and 73-10035, the total fee for your entire ownership change will be \$125.00 so Amerititle will be entitled to a \$25.00 refund for receipt number C087710, please find a copy of the request attached.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
