

To: Old Ditch Company Users

A special meeting of the Old Ditch Company of the Garden Creek Water District is called for by the Directors of said Company. In telephone conversation with the President (Reed Capell) a few days passed, he expressed to Klain Christensen that it would be best for the Directors to call this meeting because he is presently staying at Quale Ridge rest home in Pocatello, and unable to attend his duties as president. We trust that this information is accurate.

Some purposes for the meeting are:

1. To elect officers
2. To discuss enlargement of the central lateral.
3. To discuss assessments

Meeting:

Place: Arimo City Building

Date: Monday, February 15

Time: 7 P.M.
