PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 94-7395

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and the request for extension of time submitted for the above-referenced permit. We are returning the request for extension of time as it is not necessary.

Enclosed is an order reinstating permit no. 94-7395, since proof was submitted more than 60 days after the lapse notice was issued. Please note that the priority date has been advanced to **November 20, 2009**, the date the proof and license examination fee were submitted to the department, as provided in Section 42-218a(2), Idaho Code.

You paid a total of \$225, and the fee for the diversion rate of 3.62 cfs is \$150.00. I have requested that a refund of \$75 be mailed to you at the address listed above.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water. If you have questions concerning the field examination, please contact the **Northern Regional Office** of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,
