Subject: 65-22912 - Statement of Completion for Submitting Proof of Beneficial Use

Dear John:

Enclosed please find the Statement of Completion for Submitting Proof of Beneficial Use for permit 65-22912, along with a check for the \$100 proof fee. The Statement is signed by D. John Carey, Manager of Jug Mountain Ranch LLC.

Also enclosed is a copy of a letter dated March 6, 2009 regarding installation of measuring devices above and below Jussilla Bow Reservoir. At that time, the watermaster indicated that measuring devices were not necessary. Therefore, measuring devices were not installed as required by permit condition No. 7. A copy of this letter is available in the Department's on-line files.

Please contact me with any questions.

Sincerely,

Terry M. Scanlan, P.E., P.G.
