RE: Change in Address Water Right No. 13-4272 & 15-4190

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Address on June 8, 2009. The departments letter dated October 19, 2009, copy enclosed, remain unanswered.

In order for our department to complete this request we need some additional information. We need evidence showing that John Young has the authority to sign in place of Malcolm Young for Young Brothers Livestock Corporation. The department's records currently show the water rights in the name of Young Brothers Livestock Corporation in care of Malcolm Young.

Because the Department cannot process the address change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jenie Barg
