Good Morning Gary,

I told you I would get back to you regarding our hearing on the Water Rights Permit #67-14991 as soon as we concluded with our mediation process. We met with Terry Williams and his Lawyer Jim Gillespie for mediation. It was unsuccessful, and we will meet them in court on September 1st. However, we do have clear title to our property and would like to proceed with the hearing on our water rights permit. Please advise me the date of the hearing so that I may have my counsel present. I appreciate your work on this case, and look forward to hearing from you soon.

Warm regards,
Nancy M. Evans
