RE: Contested Application for Permit # 67-14991—A Don &/or Nancy M Evans

Dear Mr. Gillespie:

As you are aware, the above described application was filed by the applicants on 12/04/08. Public notice was made in the Cambridge Upper Country News-Reporter on May 21 & 28, 2009. A timely protest was received from Terry D Williams. To date, a protest settlement has not been made and the contested application remains.

The Department will be scheduling a prehearing protest conference to determine the issues, discuss settlements, and initiate hearing preparation if a settlement can not be reached. On 01/12/10, I contacted your assistant for your available dates to schedule a conference. I have not received a response.

Enclosed are calendars for April, May, and June 2010. Please provide this office dates that you would be available for a prehearing conference by **February 26, 2010**. An untimely response may result in the protest being dismissed. As soon as a common availability date is determined, formal conference notices will be sent out to parties.

A protest withdrawal form is enclosed should your client desire to withdraw his protest.

Please contact me at the Western Regional Office if you have concerns, phone 334-2190.

Sincerely,

John Westra, Manager
