RE: APPLICATION TO LEASE A PORTION OF WATER RIGHT NO. 21-10015 TO THE
WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources ("Department") has completed its review of your application to lease a portion of water right no. 21-10015 to the Water Supply Bank ("Bank"). The offered water right is accepted into the Bank in accordance with the attached Water Supply Bank Lease Acceptance. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification.

Please note that acceptance of this right into the Bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right. It does not preclude the opportunity for review of the validity of this water right in the ongoing Snake River Basin Adjudication or any other Department application process. Prior to rental of this right from the Bank, additional review may be required to confirm the availability of water from the source and to confirm the historic consumptive water use.

The right will remain in the Bank for an "indefinite" lease term unless the right is released earlier by the Idaho Water Resource Board or upon request by the lessor. To change the term of the lease or to release the right from the Bank, the lessor must submit a request in writing to the Department.

Please review the conditions of acceptance listed on the Lease Acceptance and contact me if you have any questions at (208) 287-4943.

Sincerely,

Aaron Marshall
Sr. Water Resource Agent
